Jochen Fichtner

Director IT & Organisation,
Audi México S. A. de C. V.

Audi

Vita

Jochen Fichtner started 1998 as a Logistics Manager at Audi AG after successfully completing his Engineering Master-degree (Dipl.-Ing.) at the University of Hannover (Germany). His career progressed through assignments as Manager IT at SEAT S.A., then Head of Disposition-Service back at Audi AG and finally at Volkswagen AG as Head of IT planning: New Plants. Beginning of 2013 Mr. Fichtner joined again Audi AG as the Head of IT Project: Audi Plant Mexico where he assumes the complete responsibility of design, implementation and support of the Audi plant in San José Chiapas, Mx. Since 2014 he is in charge of Director for IT and Organization AUDI México S. A. de C. V.
