Vita

Brigitte Courtehoux is Head of the Connected Services and New Mobility Business Unit within PSA Group.

She started her career within PSA Group in 1998. She successively managed new engines and project planning for the Citroën C5. She later worked in the field of quality insurance, for the Citroën C3 Picasso and at a corporate level. Before her current position, she acted as project manager for the Peugeot 2008.

Brigitte Courtehoux is a graduate from the "Ecole Nationale Supérieure de Physique" in Grenoble, France.
